Lakefront Home on 21 + Acres with Panoramic Table Rock Lake View! Home sits on 21.65 private acres overlooking Table Rock Lake, this 4-bedroom, 3-bath home with office space or game room offers the perfect blend of modern comfort, privacy, and outdoor adventure. The open floor plan features a spacious living area with a stone fireplace, abundant natural light, and a beautifully appointed kitchen with a large island, custom cabinetry, and stainless appliances. Property has a long winding private drive easily accessible from the paved highway; one could have a gate installed to secure even more privacy. Take in the breathtaking Table Rock Lake views from the expansive deck, or explore your own private acreage filled with wildlife and natural beauty. A nature trail on the property leads approximately 1,200 feet to the shoreline, allowing you to walk to the water for swimming, fishing, kayaking, or simply enjoying the peaceful lake setting. The return hike back to the home is uphill, rewarding you with elevated lake views and added privacy. The property also features a small cave, adding a unique Ozark charm and exploring opportunities. For boating enthusiasts, a public boat launch is conveniently located just down the road, and across the bridge providing easy access to Table Rock Lake. Whether you're searching for a full-time residence, vacation
