Turn-Key Cattle Farm in Southwest Missouri: Highly improved pasture ground is rare on the open market especially with strong cattle prices. This 78+/- acre farm in Vernon County, Missouri provides the opportunity to buy land, outbuildings, and a solid home in one purchase with additional surrounding land available. The property has been managed for cattle and hay production with 90%+ of the property being in open ground. The land is divided into several paddocks with the ability to further subdivide. The property is improved for cattle including a pond, waterers, and full perimeter fencing. Farm improvements include a steel-pipe corral system, multiple catch and holding pens, and great access to electric and water as your operation grows. This farm has excellent buildings including: (1) a 52'x75' steel-framed machine shed with 14' bays and a finished garage/shop side (water, electric, heat) with a 16'x12' overhead door, (2) a 23'x67' machine shed, (3) a 22'x45' milk barn, (4) a 56'x60' barn with feed bunks, (5) a cattle loafing shed, (6) 2 grain bins, and (7) a 24'x28' detached, 2 car garage with a 12'x14' rec room attached. The brick home boasts 2 beds & 1.5 baths w/ 1,512 sq. ft. including a big mudroom, nice kitchen, and a living room with a great view. This property is conveniently located 6 miles west of El Dorado Springs and 12 miles
