3 Bedrooms | 2 Bathrooms | 1,123 Sqft

Low-Maintenance Homes Discover the perfect 8-acre retreat designed for modern comfort and true self-sufficiency. This 3-bedroom, 2-bathroom home offers peace of mind with a durable metal roof, newer central heat and air, and a completely updated well system installed in 2026, featuring a new 3/4 HP Well Patrol pump, new wiring, and new piping. The land is a homesteader's dream, featuring a stocked pond and with 19 fruit trees (12 currently producing and 7 young trees established for future harvests). The property is fully farm-ready with an established garden area, a functional chicken coop, and a smart fencing layout that includes both perimeter and interior cross-fencing. Whether you are looking to hobby farm, fish in your private pond, or simply enjoy a quiet piece of the Ozarks in a move-in-ready home, this property delivers. Properties with this level of infrastructure and established food production are a rare find--
