5 Bedrooms | 3 Bathrooms | 2,800 Sqft

Welcome to your private slice of the Ozarks in Halfway, Missouri. Built in 2020, this exceptional 5-bedroom, 3-bath home offers over 2,800 square feet of thoughtfully designed living space on 20 acres of mature Missouri timber, where peace, privacy, and quiet define everyday life. Constructed as a traditional stick-built home with quality craftsmanship throughout, this residence is not a barndominium or shouse. Built with 2x6 exterior walls and engineered roof trusses, it offers the quality, durability, and broad financing eligibility buyers expect, making FHA, VA, USDA, and conventional financing all viable options (subject to lender approval). Inside, you'll find granite countertops, brand-new flooring throughout, and high-end finishes that complement the open, single-level floor plan. Widened doorways and zero interior steps provide seamless accessibility, while the full-length covered porch creates the perfect place to relax and enjoy the surrounding natural beauty. Outdoor enthusiasts will appreciate the abundant wildlife and huntable acreage with an excellent deer population. A new premium wood-burning stove, paired with the property's mature timber, provides an efficient supplemental heat source while adding warmth and character to the home. A brand-new 30' x 40' attached garage offers exceptional space for vehicles, equipment,
