7 Bedrooms | 3 Bathrooms | 3,434 Sqft

If you've been dreaming of privacy, space, and room to breathe -- this is the one. Tucked away at the end of a long private drive, this 3,434 sq ft 7-bedroom, 3-bath home sits on 14.30+/- secluded acres with no neighbors in sight. The main level offers 2,688 sq ft of comfortable living space with large, open areas perfect for family gatherings or entertaining friends. The finished basement adds another 746 sq ft and features a cozy movie theater room -- ideal for relaxing nights in. Outside, enjoy the peaceful setting complete with an above-ground pool and freshly painted deck, a 32 x 40 workshop, and a pond that holds water year-round. Wildlife is abundant -- deer and turkey roam frequently. A new well for the house was installed in 2024, and there's also a second build site with its own well (condition unknown). Whether you're looking for a full-time home or a private getaway, this property delivers the peace and space that's hard to find -- and it qualifies for FHA, RD/USDA, VA, and Conventional financing. It is a site built home.
