Own a rare slice of one of Table Rock Lake's most beloved waterfront traditions. Welcome to Royalty Shores, a thoughtfully reimagined lakefront retreat where generations of families have gathered to create their own version of 'that one unforgettable summer on the water.' Tucked along the crystal-clear shoreline in the heart of the Ozarks, this is more than a cottage, it's an invitation to slow down, reconnect, & savor the moments that matter most. Formerly part of the cherished Crest Lodge, where guests returned year after year to rest, recharge & swap fishing stories that seemed to grow larger with every telling, this iconic property has been transformed into individually owned lakefront residences. Eagles soar overhead, gentle waves lap the shoreline, & everyday stresses fade into the background. Spend your days strolling the shoreline, casting a line, kayaking, cooling off in the lake, or relaxing beneath the trees w/ your favorite book in hand. Whether you're seeking a personal retreat or an income-producing opportunity, owners may enjoy their cottage privately or continue the tradition through nightly rentals. Community amenities include a lakeside swimming pool, playground, shoreline access, lawn care, & low HOA dues designed to keep your weekends focused on lake life. This cozy, nostalgic lock-out duplex offers a total of 6 bedrooms, 2 baths,
