Welcome to the home everyone is looking for, modern living set on quiet land in the country. This 3 bed 2 bath home has been thoughtfully and completely redone in every way you could imagine by a licensed professional. The star of the show is the brand new kitchen with warm neutral tones and modern updates with thoughtful vintage details incorporated. You'll also notice new flooring throughout the house, an open concept living and dining area, updated bathrooms, light fixtures, and fresh paint everywhere. This home features a 2nd living area great for a formal sitting area or a kids play room. Outside you'll find mature trees and landscaping, a screened-in porched, a large fenced in yard, and a utility shed. This home offers an abundance of outbuildings ensuring you will never lack storage and have excellent options for livestock. You have a detached 2 car garage right next to the home for easy parking and access inside. A large 24x32 concrete floor shop with electricity and RV hookups, a 24x30 earth floor open end barn, and an even bigger 30x50 earth floor pole barn currently set up with stables inside. This home sits on 6.4 acres perfect for a family just wanting space or looking to start a hobby farm. In addition to the acreage and plenty of outbuildings you'll also find your very own pond on the property and a fully automatic generator to give you peace
