Cute as a bee's knees & bursting w/ charm at every turn, this private lake view cottage is the perfect blend of modern updates, rustic Ozarks character & easy lake living! Move-in ready & furnished, this adorable retreat was completely remodeled down to the studs in 2016, creating a fresh, low-maintenance escape while preserving the special details that make it truly one of a kind. Inside, discover rich wood-finished LVP flooring, warm ceiling beams & an unforgettable alpine forest green wood stove, one of the cottage's few original features & the cozy centerpiece of this little lake masterpiece. The inviting kitchen offers timeless wood cabinetry, propane cooking, stainless refrigerator & microwave, ample storage & a charming dine-in space framed by peaceful lake views. Two cozy bedrooms & a beautifully updated bath w/ walk-in shower & slate flooring provide everything needed for comfortable weekend stays. Step onto the covered back deck to enjoy lake views, community pool views, cool lake breezes & the calming soundtrack of local birds and wildlife. The community pool is just steps away, while popular Baxter Marina & quick, easy Table Rock Lake access are approx 5 min away. You're also just min to town for shopping, dining & everyday conveniences. Whether you're searching for a low-maintenance lake getaway,
