\$1,499,000

4 Bedrooms | 5.5 Bathrooms | 5,754 Sqft

Welcome to Roberts Ridge! The home has a large open floor plan, when you walk in the front door you have an open foyer leading to the formal living room, with large windows spanning across the back yard, hardwood floors and massive stone fireplace. The primary bedroom and bath are located on the main floor. The staircase will take you to the upper level where you will find additional bedrooms, 2 more bathrooms, and a bonus room or 4th bedroom. Off the kitchen on the main level the stairs will take you to the fully finished basement with another full kitchen, family room and recreation room with yet another stone fireplace, safe room, workout room, mud room, and another full bathroom and access to the lower level patio with yet another outdoor fireplace. Outside you will find plenty of room to roam on this 131 acre farm with hayfields, 3 ponds, bottom land, wooded trails and access to Beaver Creek frontage to spend plenty of time in the water or floating creek to watch the bald eagles flying high above or chasing some great fishing. Need more space for trail rides or livestock, this property has several outbuildings, workshop and a 100x 60 red iron constructed barn with stables and a tack room that is fully equipped with water and sewer. If you have been looking for a private retreat or just a little elbow room this place has it all. Seller also has a list of farm
