Prepare to be amazed by this premier custom-built lakefront masterpiece offering breathtaking, unobstructed views of Table Rock Lake and the Ozark Mountains. Walls of windows fill the home with natural light and frame the spectacular scenery from nearly every room. Located in an exclusive gated subdivision featuring a private airstrip, with two boat slips available just down the street, this property delivers the ultimate lake lifestyle. Designed for both everyday living and entertaining, the open-concept floor plan features two spacious living areas, each with its own fireplace, a massive kitchen island, KitchenAid stainless steel appliances, and a built-in Miele smart coffee station. The luxurious main-level owner's suite offers a private sitting area, spa-inspired bath with soaking tub and walk-in shower, plus direct access to laundry within the oversized walk-in closet. Additional highlights include a walk-in pantry, mudroom, hardwood floors, Andersen windows, whole-home generator, and exceptional craftsmanship throughout. The lower level is an entertainer's dream with a stunning granite wet bar, media room, and temperature-controlled wine storage. Step outside to enjoy extraordinary outdoor living spaces accented by unique natural rock formations and a firepit, all set against some of the most incredible lake and mountain views
