Fall in love with this custom log home offering unbeatable views of Table Rock Lake! (boat slip and lift are nearby and included for additional \$) Built in 2000, this property boasts around 4,000 square feet of true craftsmanship that you have to see in person to appreciate. Pulling up you'll notice immediate curb appeal, a beautifully landscaped frontage and an expansive driveway offering plenty of parking for guests. Inside you'll love the open floor plan, high ceilings and loads of natural light that fill this custom home highlighting its high end finishes and character. Beautiful hard wood floors run throughout the main area, . The kitchen offers granite counters, a copper sink, viking refrigerator and gas cooktop. The main floor includes 2 offices that make great bedrooms, a large laundry room, full bathroom for guests, and a primary suite with its own massive walk-in closet, bathroom and back deck access, . The upstairs loft offers a huge open space that could also be used as bedroom and comes with its own full bathroom. The basement includes another bedroom, private bathroom, extra storage and walkout access. As a bonus, don't miss the shop that's connected to the extra deep 2 car garage! It has concrete, electric and is a great space for work or storage. Stairs in the workshop lead to unfinished attic space above the garage that could be finished into more
