5 Bedrooms | 3 Bathrooms | 4,000 Sqft

Perched at the highest point in Lampe, Missouri, this one-owner home feels like an eagle's nest soaring high above Table Rock Lake -- panoramic, private, and unforgettable. The breathtaking lake views stretch for miles, creating a peaceful backdrop from nearly every room and every outdoor living space. Freshly remodeled, the chef's kitchen is designed to impress with stunning quartz countertops, gorgeous slate-blue cabinetry, soft-close features, and newer appliances that perfectly complement the surrounding water views. Imagine gathering with friends around the oversized kitchen island, sharing laughter and lake memories while taking in the scenery beyond the windows. Step inside through the welcoming foyer where cedar ceilings add warmth, texture, and timeless cabin-inspired ambiance. The main level showcases the home's most dramatic views with a spacious living room, soaring ceilings, and a loft-style master retreat complete with a spa-like bathroom designed for relaxation and forever views of Table Rock Lake. The walk-out lower level offers additional bedrooms, another large living area, full bathroom, and abundant storage -- creating ideal spaces. The expansive wraparound deck creates an incredible outdoor experience from both the main and lower levels. Covered in the front and open to spectacular lake views in
