Hobby Farm in the Arkansas Ozarks Escape to the beauty of the Ozarks with this unique 2-bedroom, 1-bath metal home situated on 12.5 picturesque acres offering the perfect blend of privacy, recreation, and country living. Built on a solid concrete slab foundation, this property is ideal as a full-time residence, weekend getaway, hunting retreat, or hobby farm. The acreage features a beautiful mix of mature timber and open, cleared ground, providing endless opportunities for outdoor enjoyment. A network of established trails winds throughout the property, making it easy to explore by foot or ATV while taking in the natural beauty that surrounds you. One of the property's standout features is the large, stocked pond, loaded with bass, crappie, catfish, and perch, creating a fantastic fishing destination just steps from your front door. For hunting enthusiasts, this property is a true gem. Known for its excellent wildlife habitat, the land has produced multiple trophy whitetail deer, making it an exceptional hunting property with abundant deer and other native wildlife. Whether you're dreaming of starting a hobby farm, creating the ultimate deer camp, or simply enjoying a peaceful home tucked away in the Ozarks, this property offers the space, versatility, and outdoor lifestyle you've been searching for. If you've been looking for a place where you can
