Trade the alarm clock for the sound of the lake gently reminding you that responsibilities can wait. This two-bedroom, two-bathroom condo hits "vacation mode" the second you cross the threshold -- and it never bothers switching back. Approved as a short-term rental and delivered fully furnished, this one skips the boring parts entirely. No shopping for mattresses, no wrestling with flat-pack furniture, no mysterious extra bolts rolling under the couch. Simply arrive, kick off your shoes, and decide whether today calls for income or indulgence. This clever little gem happily plays both roles. Now for the setting, which honestly steals the show. Perched on the Indian Point peninsula right next to Silver Dollar City, you're planted in a lake community that operates on its own delightful rhythm. Restaurants, bars, a marina, a campground, boat and slip rentals, golf cart rentals, and a swim beach all sit within easy reach. Weekends here practically plan themselves. Craving a little more sparkle? The famous Highway 76 Strip waits just minutes away, along with the beating heart of Branson. Dining, shopping, live shows, go-carts, mini golf, an aquarium & more -- the entertainment lineup rarely pauses for breath, and neither will you. Whether you're chasing steady rental returns or simply a personal escape hatch from ordinary life, this condo delivers charm,
