MLS# SOM60329298

\$325,000

2 Bedrooms | 1 Bathroom | 1,260 Sqft

Welcome to this stunning, recently remodeled all-brick home set on just over 16 acres m/l with approximately 660 feet of highway frontage on the East side. As you make your way down the private driveway, you will be greeted with year-round privacy from the surrounding timber. The thoughtfully designed floor plan makes perfect use of every space in the home. Truly move in ready, all appliances stay with the home; the well has a newer pressure tank; and the Shaw water proof elegant vinyl kitchen floors come with a 100% 25 year warranty! Conveniently located approximately 45 minutes to Springfield and just a few miles to beautiful Stockton Lake, you can enjoy all things country without giving up convenience! Bring your animals and enjoy everything this property has to offer!
