Want to listen to the sounds of the creek while you watch the deer walk through the trees in your backyard while taking your morning coffee on the back deck? This walkout basement home located in the heart of Saddlebrooke on over 3 acres of private splendor is your chance! Built in 2024, this 4 bedroom, 3 and a half bath all-brick home has a fresh and spacious feeling. Meticulously maintained and open home with multiple living areas, loads of storage space, 3 Living areas, and a full Shop/John Deere room. Features include hard surface LVP flooring in the living areas and tile floors in all 4 bathrooms. Other upgrades include granite countertops throughout, custom cabinets, high ceilings, and even zoned heating and cooling systems. The great room and kitchen are fully open with a gorgeous island, loads of counter/cabinet space in the kitchen and huge windows for lots of natural lighting. The split bedroom floorplan is perfect for extra privacy with the main bedroom on the east wing with double vanities, separate lavatory, and a large walk-in closet. Both guest bedrooms are a nice size with the front one having carpet. There is also a separate laundry room and a den/office too. Downstairs has a massive family room providing flexible living space for recreation including a perfect spot for a wet bar. The 4th bedroom and full bath are also located
