3 Bedrooms | 3 Bathrooms | 2,400 Sqft

Tucked among 20.75 wooded acres at the end of a private drive, this custom-built home offers a combination of privacy, craftsmanship, and everyday comfort. Built in 2018, the 2,400+- sq. ft. home features 3 bedrooms, 3 full bathrooms, a bonus loft, and full walk-out basement. Designed to embrace its woodland setting, the home showcases cathedral ceilings, oversized windows, a covered front porch, and an expansive back deck overlooking the trees. Deer and turkey are frequent visitors, while trails and a wet-weather creek invite you to enjoy the property year-round. The main living area features hardwood floors, exposed beams, and a wood-burning stove. The custom kitchen includes wood cabinetry, concrete countertops, a large island, and stainless steel appliances that stay with the home. The primary bedroom offers private deck access, a walk-in closet connected to the laundry room, and an ensuite bathroom. Downstairs, the finished walk-out basement provides a spacious second living area, an additional bedroom and full bathroom, plus a John Deere room for storage or a workshop space. Conveniently located just 15 minutes from Ash Grove, 30 minutes from Stockton Lake and I-44, with easy access to Highway 160, this property offers the quiet of country living without feeling far from everyday conveniences. Property Highlights: - 2,400+- sq.
