LAKEFRONT VACATION RENTAL! Walk out the back door with your fishing pole and catch some trout in Lake Taneycomo. This well built, spacious 5 bedroom home offers a gorgeous view right from the main living area and from both back decks overlooking the lake. The thoughtful layout offers private bathrooms for each bedroom (plus a half bath off the main area) and each bedroom is generously sized. The stone fireplace, wood ceiling and luxury low maintenance finishes demonstrate the quality of construction and easy livability. You and your guests can enjoy the hot tub or firepit overlooking the lake without being in an overly crowded development yet still close to town. The pool will keep the kids busy but there are plenty of fun little amenities inside the house so they can stay safely entertained while you relax. This STR has a six figure income track record and there will only ever be a limited number of true lakefront STRs due to restrictions in Taney County. Make the smart move and invest in this gorgeous furnished home where you and guests can make memories that last a life time!
