Built When the Lake was New! Loaded with charm, this nicely renovated 60's era 3/1 little house sits on an AmAzInG small lakefront lot. Not approved for STR. Next door neighbor has Right of First Refusal. Lots of updates over the years, with new roof 2025. Wood floors, wood walls, wood countertops! Bi-level living area with large windows to the lake and sunset views on the main body of Table Rock. Back patio is designed for entertaining and all appliances and some furniture stay. Updated bath with roomy walk-in shower. Built-in bunk beds in two of the bedrooms. Desirable neighborhood with flat streets where you can walk or ride a bike! Neighborhood launch. Near State Park Marina for leased slips, rental boats and seasonal waterfront dining! Easy drive to The Strip or The Landing or all the Branson Fun in-between. ;)
