Lake front home with boat slip available! On beautiful Table Rock Lake with breathtaking views and over 6400 total square feet. Enter through the custom double doors to this meticulously updated 1980's home featuring floor to ceiling stacked wood burning fireplaces in two of three living rooms, vaulted ceilings with original wood ceilings, and rich, dark woodwork and quartz counters throughout. The first primary en-suite features an open double walk in shower with a pebble floor, freestanding tub, double vanities, lake view, and a two story custom built closet. The second en-suite has a serene view through a curved window, large walk in closet, extra closet space, and updated bathroom. Two more bedrooms (including third en-suite) all on the main level with laundry located in a central location. The kitchen features a gas stove, quartz countertops, and a view beyond the cozy living and dining out to the lake. Sip coffee in the mornings or end your day sipping a glass of wine on the screened in porch watching the sunset over the lake. The second living room windows expose more of the lake view. The wall of windows, vaulted wood ceilings, massive fireplace, and wet bar would draw even the pickiest lake guest to its comfort and beauty. A spiral staircase will lead you down to a getaway that could be every hunter/fisherperson's or the sports enthusiast
