Rural living on 17 wooded acres in beautiful unrestricted Texas County, Missouri. Located less than 15 minutes to Houston, MO with county road and highway frontage, this property has a 2000 model single wide mobile that needs some TLC, 2 wells with one less than 10 years old, 2 electric sites and 2 lagoons. Through the woods, take a trail to the nice sized pond and clearing that would make an ideal food plot for wildlife. Good fencing on 2 sides already in place. Would make a great build site for your forever home, possible income property opportunities or hunting getaway spot.
