3 Bedrooms | 3.5 Bathrooms | 2,856 Sqft

Tucked away on nearly five beautifully maintained acres just outside Halfway, Missouri, this custom-built brick home offers the kind of setting that never goes out of style. Towering mature oak trees, established landscaping, a peaceful pond, and a winding paved driveway create a property that feels more like a private park than a residence. The landscaping provides a wonderful foundation with room to make it your own. Enjoy the quiet of country living while being just minutes from both Bolivar and Halfway. Built with quality in mind, this all-brick two-story home has been exceptionally cared for throughout the years. The thoughtfully designed floor plan features a spacious main-level primary suite, while upstairs offers two additional bedrooms, a dedicated office, and a full bathroom. The basement provides additional space for a game room, hobbies, or storage. The inviting living room showcases soaring ceilings, abundant natural light, and a fireplace as its focal point. The spacious kitchen offers generous cabinetry and workspace, making it ideal for everyday living or entertaining. Just beyond, the attached sunroom is the perfect place to enjoy your morning coffee or unwind in the evening while overlooking the backyard. Step outside to the expansive patio with a retractable awning, creating an inviting outdoor space for relaxing or hosting
