\$689,900

4 Bedrooms | 3 Bathrooms | 3,540 Sqft

Situated on 6.1 scenic acres in the heart of Ozark, this beautiful property seamlessly combines classic charm with modern versatility. As you approach, the impressive exterior invites you in--featuring timeless architecture, mature trees, and gently rolling green space that offers a serene escape just minutes from town. Step inside the main home, where rich hardwood flooring and plentiful natural light create an inviting atmosphere for comfortable, refined living. The expansive living room flows effortlessly into the dining space, providing the perfect setting for both everyday living and hosting gatherings. The kitchen stands out as a centerpiece--complete with granite countertops, a large island, stainless steel appliances, and a walk-in pantry that blends convenience with style. Every element has been thoughtfully crafted with both beauty and functionality in mind. Upstairs, the private living quarters offer a peaceful retreat. The primary suite is spacious and showcases tranquil views of the property, along with a well-appointed en-suite bath featuring a large vanity, walk-in shower, walk-in closet, and carefully designed finishes throughout. Three additional bedrooms offer flexibility for family, guests, or a home office, along with charming balconies that overlook the acreage. Each space carries its own character while maintaining the home's
