6 Bedrooms | 3 Bathrooms | 3,179 Sqft

Take a look at this newly constructed 4-bedroom, 2-bathroom home featuring a stunning European-inspired design, an open-concept layout filled with natural light, and elegant fixtures and hardware throughout. You'll love the modern kitchen with granite countertops, a butcher block accent island, spacious pantry, LED lighting, and custom tile work throughout the home. The primary suite is equally impressive, offering double vanities, a soaking tub, and an oversized walk-in closet. Nestled on 4 scenic acres, this property also features a charming private pond that enhances the peaceful outdoor setting while offering the perfect blend of beauty, comfort, and versatility. At this price, you're essentially getting two homes in one. The main residence offers approximately 2,200 sq. ft. of living space, while the fully remodeled guest house features 2 bedrooms, 1 bathroom, and 935 sq. ft., complete with a brand-new kitchen featuring quartz countertops, new flooring, custom tile work throughout, new appliances, siding, windows, roof, HVAC system, and many more updates throughout the home. The possibilities are endless - live in the main home and rent out the guest house for additional income, accommodate multi-generational living, or create the perfect private family retreat for loved ones.
