****NEW PRICE**** Some homes don't just welcome you -- they change the way you breathe. This fully furnished lakefront sanctuary sits on three peaceful, park-like lots overlooking the bluffs of Table Rock Lake, offering a sense of calm and connection that's impossible to replicate. From the moment you arrive, you feel it: the quiet, the space, the beauty, the freedom. Mornings begin on the screened-in porch with soft light dancing across the water. Days unfold between the outdoor kitchen -- complete with gas grill and Traeger smoker -- and the fire-pit gathering area where stories linger long after the flames fade. An outdoor shower lets you rinse off the lake and step straight into relaxation. Every corner of this property is designed for slowing down, savoring moments, and sharing them with the people who matter most. Inside, warm lake-inspired decor and thoughtful furnishings create a cozy, effortless elegance across three bedrooms and three baths. Outside, multiple seating areas invite you to pause and take in sweeping bluff views that feel like your own private overlook. With a 3-car attached garage and 2-car carport, a 10x24 boat slip & lift that is just a short golf-cart ride away (available for additional purchase) -- making this property the complete package. There's room for boats, toys, and guests -- because this is a place meant to be enjoyed. This
