Some homes whisper relaxation. This one practically shouts it from the rooftop -- then hands you a cold drink and points toward the water. Perched along the shimmering shores of Table Rock Lake, this five-bedroom, three-bathroom retreat delivers waterfront living without a single compromise. Spanning roughly one acre, the property pairs exquisite lake views with thoughtful craftsmanship at every turn. Soaring ceilings stretch overhead, creating an airy, open feeling that makes you stand a little taller and breathe a little deeper. A versatile bonus loft offers extra room for whatever your imagination conjures -- a hideaway office, a guest perch, or simply a spot to admire the scenery from above. With five bedrooms, there's plenty of space for guests and gatherings of all kinds. Boating enthusiasts, take note: a generous 14' x 40' boat slip is available below the home for an additional \$80,000, putting open water within easy reach. Want even more elbow room? Additional neighboring lots are up for grabs too. This charming, golf-cart-friendly lake community knows how to do leisure right. Kimberling City serves up wonderful local dining, shopping, and endless lake activities, while nearby Port of Kimberling rounds out the fun with boat rentals, a launch, fuel dock, marina store, and campground. Whether you crave lazy mornings on the dock or sunset
