This two-story condo is thoughtfully laid out for both everyday living and entertaining. The main level includes two junior suites, giving guests or family their own comfortable space without stairs. Upstairs, the massive primary suite is set apart from the rest of the home, offering outstanding lake views and true privacy. A wall of glass runs through the main living space, pulling in natural light and putting the lakeside setting on full display. Outside, two private balconies made for evenings under the stars, overlooking the lake. The community's sparkling pool and well-kept grounds make it easy to meet neighbors or host visitors. This non rental community shows pride of ownership throughout. A 12'x30' boat slip and two PWC slips are included, so the water is always within reach right in front of the condo! Ideal for full time or weekends!
