\$995,900

3 Bedrooms | 4.5 Bathrooms | 3,908 Sqft

Discover the perfect blend of privacy, luxury, and convenience with this one-of-a-kind estate situated on 10 acres within the Ozark city limits. Offering nearly 4,000 square feet, this uniquely designed home stands apart with exceptional features, incredible entertaining spaces, and peaceful surroundings. The main level features a spacious open-concept layout with 3 bedrooms, 2.5 baths, and an expansive kitchen, dining, and living area designed for gathering and everyday living. The oversized primary suite offers a spa-like bath and generous space to unwind. A split-bedroom floor plan provides privacy, with two additional bedrooms and a versatile sitting area ideal for a reading nook, office, or playroom. Car enthusiasts and hobbyists will appreciate the two separate oversized 2-car garages, offering exceptional space and flexibility. One garage features heated and cooled bays with extra-high ceilings designed to accommodate a car lift, making it ideal for automotive projects, storage, or workshop space. The finished basement is the perfect entertaining space and includes a full bath for added convenience. Step outside and enjoy your own private retreat featuring a heated saltwater pool with automatic cover, outdoor shower, large automatic awning over the pool deck, pergola, firepit area and beautiful acreage offering both privacy and
