Welcome to your Truman Lake getaway! This all-brick home offers the perfect combination of comfortable living space, incredible outdoor access, and exceptional versatility. Featuring two separate living spaces and two full kitchens, this home offers endless possibilities for multi-generational living, extended family, guests, or simply having plenty of room to spread out. The detached garage is an incredible bonus, featuring approximately 1,800 sq. ft. of heated and plumbed space. Whether you need a workshop, boat and recreational vehicle storage, hobby space, additional workspace, or room for all your lake toys, this space offers tremendous flexibility. Outdoor enthusiasts will love the location! The property is just 5 miles from Sterett Creek Marina and approximately 7 miles from Shawnee Bend Public Use Area, making access to Truman Lake quick and convenient. Even better, the Truman Lake Mountain Bike Trails are located directly behind the property, with the trailhead approximately 2.5 miles away. Whether you're looking for a full-time residence, weekend lake retreat, multi-generational home, or a property with room for all your hobbies and recreational equipment, this one checks a lot of boxes.
