Turnkey and livable with just a little cosmetic freshening needed this 1954-built home sits on a no-HOA lot with an attached one-car garage and extra parking. Plumbing and electrical are up to code, the roof is 8 years old, and central AC is in place. Flooring, paint, and finishing out half of a bathroom still need to be done. The 1,146-square-foot layout offers two bedrooms and two full bathrooms. Move in now and update at your own pace, or knock out the cosmetic list first for instant equity. Eldon offers small-town convenience with easy access to the Lake of the Ozarks, making it a solid long-term hold or resale.
