This well-maintained home offers comfortable living with an inviting open-concept layout. The kitchen, dining, and living areas flow together, making entertaining easy. The primary suite features a private ensuite, while two additional bedrooms offer flexibility for family, guests, or an office. LVP flooring runs throughout the main living areas, with carpet in the bedrooms. Enjoy the charming front porch, large yard, and awesome back patio, perfect for relaxing or entertaining. Sitting on approximately half an acre, this property offers plenty of outdoor space. The real standout is the impressive 34' x 34' insulated and heated shop located directly behind the home. Featuring concrete floors and a half bathroom, the shop offers incredible versatility for vehicles, equipment, hobbies, projects, storage, or a home business. A well-maintained home, great outdoor space, and an exceptional shop make this Stover property one you won't want to miss!
