Truly beautiful to say the least!! This 7.6 acres in Cedarcreek MO is not only serene it offers a seamless blend of natural privacy, panoramic water views, and gentle topography alongside Bull Shoals Lake! The shoreline is just below this beautiful blend of wooded and cleared acreage as well as views that capture the golden evening light and quiet surroundings. This stunning piece of land features mature shade trees and provides an ideal, build-ready setting for relaxed water-view living. Fishing, boating, relaxed shoreline, beautiful lake views, and not to mention the ability to have it all right under your feet and in front of your sight! Literally right here.. Ready and waiting to be a part of your new future.!
