First time offered! There's something special about a lake home that's been loved by the same family for generations and this one has stories to tell. Located in the sought-after Franky & Louie's cove in Sunrise Beach, this 4-bedroom, 2-bath home offers the kind of lake setting families hold onto: a wide, protected cove, private dock, great parking and room for everyone to gather. Inside, you'll find a wonderful mix of original and new. The kitchen was beautifully updated in 2024, while other areas still hold onto the character and memories that make a longtime family lake house feel like home. A wood-burning fireplace sets the stage for cozy fall and winter weekends, while the full basement provides even more space and possibilities. The sunroom is the best room for morning coffee overlooking the water. Outside, a blacktopped driveway, workshop/garage and additional detached 2-car garage give you something that can be hard to find at the lake plenty of parking and storage for cars, boats and lake toys. Spend your days on the water, cruise over to Franky & Louie's, then come home to your own quiet spot in the cove.
