Golf-front, top-floor nightly-rental opportunity in the heart of Branson! Unit 5's position at the end of Building 1 creates expansive, unobstructed sightlines across Thousand Hills Golf Course, including the fairway and meandering creek. Enjoy the scenery from the main living area or the enclosed, window-lined sunroom--an exceptional space for relaxing, dining or gathering with guests. The open interior features vaulted ceilings, abundant natural light and direct sightlines between the kitchen and living areas. This spacious condo offers three bedrooms and three full bathrooms, including a loft-style third bedroom and ensuite accommodations. The current rental configuration provides king beds in all three sleeping areas, plus additional sleeping space in the living room and sunroom, accommodating up to 10 guests. Actively operated as a nightly rental for over four years and currently professionally managed, this property offers an established opportunity for investors, vacation-home buyers or those seeking a personal Branson retreat. The COA allows owners to self-manage or choose their preferred property-management company rather than requiring a designated provider, offering valuable flexibility and greater control over operations and management expenses. Conveniently located near Highway 76, shows, dining,
