Bring your plans & take advantage of the possibilities this 10.77-acre tract on Cuptree Dr has to offer! Formerly used as a mobile home park, the property has been completely cleared with no old mobile homes remaining. The mostly level acreage could lend itself to a mobile home community, RV or camper spaces, storage, cabins, long-term rentals, a homesite with additional structures, or other residential/commercial use. Located on a paved road just off Hwy 135 on the west side of Lake of the Ozarks, the property is less than 3 miles from Ozarks International Raceway and only minutes from Laurie. Electric has previously served the property, along with a drilled well & septic system, giving the next owner a valuable head start when bringing their plans to life.
