You won't believe the amount of parking - room for everyone inside and out. Sprawling floor plan allows everyone their own spaces on each level! The family room has a great kitchenette and access to an additional huge room that could be a guest apartment, wonderful home office/workout room - whatever your heart desires. Washer and dryer on each level - no carting heavy loads up and down stairs. Expansive lake view from most rooms. Larger fenced lakeside yard. Super location by road or water. This one has it all.
