3 Bedrooms | 2 Bathrooms | 1,920 Sqft

Discover the perfect blend of privacy, space, and opportunity with this 3-bedroom, 2-bath home tucked away at the very end of a quiet dead-end road. Surrounded by acreage and offering exceptional seclusion, this property provides plenty of room to spread out, expand, and make it your own. Inside, the home features a comfortable open floor plan with multiple living spaces, while outside you'll find several outbuildings, a chicken coop, established garden areas, fruit trees, and plenty of usable ground. Two separate electric services are already in place, creating exciting possibilities for an additional home, shop, garage, or other future improvements. Major updates include a new roof and HVAC system in 2023, along with a brand-new well installed in 2025. Co-Mo Fiber internet is also available, making country living a little more connected. Despite the private setting, you're only approximately 15-20 minutes from either Versailles or Osage Beach, giving you convenient access to everything the Lake has to offer. Whether you're looking for a private full-time residence, space for a homestead, or a property with room to grow, this one offers a combination that's getting harder to find.
