This mostly wooded property has no HOAs, covenants, or deed restrictions and is conveniently situated between Lake of the Ozarks and Truman Lake, with quick highway access. A nice cleared area with trenched in power hookup for RV and/or tent camping make it ideal for a peaceful weekend retreat, a place to hunt, a spring board to a day on the water, or as a serene location to build your future dream home. Sellers have already flattened out an area and put in a few walking paths.
