Prime 67 acres+/- of pasture and woods fenced and ready for your livestock or just a great get away and recreational parcel of land. Well cared for over the years with good fencing, productive land and a stocked pond. Area by this very large stocked pond has been the family gathering site for picnics, playtime or fishing. Somewhere to go and let all the noises of the city disappear. In addition there is a smaller pond, good cross fencing and mature woods. Land is nicely situated for several homesites, or your forever home. Hard to find a parcel of land like this, yet close to all the amenities you would need or desire.
