Your affordable Lake of the Ozarks retreat is waiting! Located at the 32 MM, this charming 2-bed, 1-bath lakefront home offers the opportunity to enjoy the lake lifestyle without the typical lakefront price tag. Start your mornings with peaceful water views, spend afternoons boating, fishing & swimming, and end the day relaxing along the shoreline. Your private dock features an 11x24 boat slip, giving you convenient access to the water, with additional space offering potential for future expansion. Inside, the home comes furnished & ready to enjoy, making it an excellent option for a weekend getaway, seasonal lake retreat, or potential short-term rental investment. Bring your personal touches & create the lake escape you've always wanted without starting from scratch. Conveniently located near popular Lake of the Ozarks waterfront restaurants, entertainment & area attractions, this property makes it easy for owners & guests to experience everything the lake has to offer. Whether you're searching for your own place at the lake or an investment opportunity with plenty of potential, this lakefront property deserves a closer look. Schedule your showing today and start making memories!
