This is what a lake cabin is supposed to feel like! Tucked away in a quiet, protected cove at the 53 Mile Marker, this charming 3-br lakefront log home delivers the rustic character, privacy and easygoing lifestyle buyers come to Lake of the Ozarks looking for. From the moment you step inside, vaulted ceilings & warm wood from floor to ceiling create an authentic cabin atmosphere. The main level features the kitchen, living room and primary suite with cedar-lined closet, double vanity & walk-in shower. Downstairs offers a second kitchen, family room and 2 additional bedrooms an ideal setup for family, guests or multiple generations to enjoy their own space. Relax on the covered roadside porch or choose from 2 levels of covered lakeside decks overlooking the peaceful cove. The gentle lakefront setting provides an easy walk to the dock with hardly any stairs. A metal roof, detached 2-car garage and workshop below provide plenty of room for vehicles, lake toys & projects. Private, peaceful and full of character, this is the kind of place where weekends slow down, mornings are spent on the porch & days end by the water. If you're looking for an authentic getaway, you've found it.
