Looking for a weekend getaway, vacation rental, or full-time lake home, this property brings together the things lake buyers want most: great outdoor living, private dock access, room for guests, and a peaceful lakefront setting. Welcome to lake life on the quiet Little Niangua arm! Don't let the 3-bedroom fool you; there is plenty of room for guests, including a sunroom that offers more space for daybeds, a pull-out sofa, bunks, whatever it takes to accommodate a house full of family and friends. With multiple decks and outdoor gathering areas, there's plenty of room to entertain family and friends outside too. Just fire up the grill, enjoy morning coffee, or unwind after a day on the water. Follow the walkway right down to your 2-slip dock and you're ready for boating, fishing, swimming, and everything that makes lake living special. Enjoy calmer water and a laid-back atmosphere on the quiet side of the lake, while still being minutes from great West Side restaurants, entertainment, and all the fun Lake of the Ozarks has to offer.
