This adorable rock home is an absolute doll house! Located at the end of the street to enjoy privacy, room for a big garden, have chickens, fence it in for your dogs and kids, whatever your Lifestyle desires. The carport will house 2 vehicles, and the back side is a great, covered area to BBQ, gather with friends, set up a picnic table and just enjoy the outdoor space. Remodeled this year with the washer and dryer on the upper floor but additional hookups in the basement. New appliances in the kitchen and new washer and dryer. New windows, new roof, new flooring, this one is a must see! The open basement is great for storage, a game room, gym or finish it out for additional living space. The possibilities are endless. The detached garage shop is great for a workshop or to store your lawnmower and additional items. The smaller shed would be great for gardening items. This one is move in ready! Schedule your showings today!
