Extremely comfortable home with plenty of room to spread out and enjoy all the amenities of a full time home with waterfront access and yr round lakeview. With a little sweat equity and tlc, this home has more potential than any home I have seen in this price range. School of the Osage and the Horseshoe Bend community are big pluses for this three bedroom home that also has a 4th bedroom (non-conforming) in the lower level. With main level living, an extra large primary bedroom with an office/sitting room lakeside, attached garage, gorgeous dramatic vaulted ceilings, two fireplaces, and an enormous game room/family room in the lower level, this home is perfect for a growing family or as a vacation rental. Dock access to your own 10x20 boat slip with boat hoist is a short walk away down Indian Trails. Upper level bedrooms have additional cooling with the wall/window units plus there is a bit of attic storage. More storage in the large utility room on the lower level. Generous decks and patio to enjoy that lakeview. Dock is situated in a nice cove off the main channel at the 6.5 MM. Close to Shady Gator, would make a great rental. Pricing reflects property being sold As Is.
