MLS# SOM60331937

\$684,000

Discover the possibilities on this stunning 76+/-acre property featuring rolling hills, beautiful views, and a perfect building site positioned high on the hill. A well and electricity ready to go for a new home. Ready for cattle with automatic well watering systems, 3 ponds, and a spring fed creek that runs through the property. With its scenic landscape, open spaces, and peaceful setting, this property offers an incredible opportunity to create your dream home, farm, retreat, or private getaway. The combination of natural beauty, elevated views, and expansive acreage provides endless potential for those looking to build, invest, or simply enjoy the beauty and privacy of the land.
