1 Bedroom | 1 Bathroom | 350 Sqft

Set along the shoreline of Table Rock Lake, this one-bedroom, one-bath lakefront cabin offers wide water views and a simple, easy-to-maintain place to enjoy the lake. Includes new 11 x 30 boat slip. The cabin has been updated with new flooring, new windows, a new mini-split heating and cooling system, and a covered deck overlooking the water. Inside, the open living and kitchen area is filled with natural light, while the separate bedroom and full bath make the layout comfortable for weekend stays or full-time use. Outside, mature trees frame the property and the covered deck gives you a front-row seat to the lake. The cabin sits within Gobblers Mountain Condominium, a small private lakefront community made up of just a handful of homes and cabins. The property has defined ownership boundaries and shares a septic system with one neighboring cabin and one home. A newly constructed community dock is just steps from the property. A rare opportunity to own a lakefront cabin on Table Rock Lake with the water, dock, and some of the area's best views right outside your door. Taxes to be split between 5 units
