\$665,000

4 Bedrooms | 4 Bathrooms | 5,188 Sqft

40 acres, an indoor pool, a shop, a pond, and a home with room to spread out this property is anything but ordinary. With a mix of open and wooded acreage, there's space to hunt, farm, explore, or simply enjoy country living. Inside, a grand foyer with soaring ceilings opens to a stunning loft overlook. The open layout flows into a spacious kitchen, formal dining area, and living room. Step onto the back deck overlooking the stocked pond the perfect place for morning coffee or evening sunsets. The main level features 3 bedrooms, including a spacious primary suite with his-and-hers closets and its own washer and dryer hookup. The finished walk-out basement adds a second living area, full kitchen, and 2 non-conforming bedrooms. One of the most unique features is the indoor pool, offering year-round enjoyment and entertaining. Outside, the 40 acres offer open ground and woods, along with a pond, partially fenced acreage, and a shop for equipment, projects, or storage. Recent improvements include new flooring in 2026, a 2023 roof, and efficient geothermal heating. With acreage, privacy, and unique features inside and out, this property offers a country lifestyle that's hard to find.
