1 Bedroom | 1 Bathroom | 828 Sqft

Looking for a property with great garage and storage space? This 1 bed, 1 bath home sits on a large lot and offers plenty of room both inside and out. The home features a spacious kitchen, a large bedroom, and plenty of storage throughout. A small front porch offers additional potential and could be finished to create an inviting outdoor space. The standout feature is the 24x27 detached garage, complete with two bays, 12 foot walls, concrete floor, electric, 10 foot manual garage doors, and a loft for additional storage. Whether you need space for vehicles, tools, hobbies, or a workshop, this garage provides plenty of possibilities. The seller is also leaving a new hot water heater, trim, and several other materials to help the next owner continue finishing and improving the home. City utilities and high-speed internet are available, adding everyday convenience. With a large lot, useful garage space, and the opportunity to add your own finishing touches, this property could make a great full-time residence, investment property, or affordable option for someone wanting extra workshop and storage space.
