Welcome to Rivercut -- Where Home Becomes the Destination Living in Rivercut is more than an address--it's a lifestyle. Just outside the Springfield city limits and surrounded by mature trees, rolling Ozark terrain, and exceptional privacy, this custom-built walkout basement home offers a rare blend of luxury, space, and golf-course living. Located directly on the tee box of Hole #13, this impressive six-bedroom residence puts Rivercut's best amenities just a golf-cart ride away, including the clubhouse, swimming pool, basketball and pickleball courts, and scenic James River. Inside, the custom floor plan delivers six bedrooms, multiple spacious living areas, a dedicated home theater, and beautiful hardwood floors. Fresh interior paint and new carpet create a move-in-ready feel while preserving the home's craftsmanship and character. The chef's kitchen is designed to impress, featuring Monogram commercial-grade appliances and generous space for both everyday living and entertaining. The walkout lower level adds even more room to gather, host guests, relax, or enjoy movie nights in the private theater. The setting is equally exceptional. Golf-course views, mature trees, and the beauty of the Ozarks create a peaceful retreat that feels wonderfully removed from the city--yet everyday conveniences are only minutes away. Mercy Hospital,

Tyler Richardson
