There s a reason everyone knows 6 Mile Cove. Calm, protected water, beautiful homes lining the shoreline, and plenty of room to ski, swim, cruise, or simply sit back and enjoy the view. This 5 bedroom, 5 bathroom Four Seasons home puts you right in the middle of it all, with 130 ft of waterfront, a gentle lot, and a setup made for long days at the lake. Start your morning with coffee on the rare martini deck that extends over the water, then head down to the impressive 3 slip dock for an afternoon of swimming, boating, and soaking up the sun from the upper deck. There s even a 16x32 swim deck, diving board, 2 ladders, storage shed, 6, 000 lb hoist, and platform lift for 3 PWCs. Inside, 3 bedrooms feature ensuite baths and 2 bedrooms share a convenient Jack-and-Jill bath. The remodeled kitchen with double ovens and a gas cooktop makes gathering easy. Two gas fireplaces, an updated primary bath, new HVAC and water heaters, concrete decks, maintenance-free siding, owned propane tank, and more make this a home designed for enjoying the lake, not maintaining it. Add Four Seasons amenities and you have a place where lake days come easy and there s always a reason to stay a little longer.
